I think there might be enough space. Yes. Let's ask Steve to go in there and organize that room. It was a mess last time I was in there. Also comma all boxes of books should be put on pallets so as to protect them from moisture or, God forbid, rain.

Miki,

Long time no see, how have you been?

The reason for my email is because the Westchester Rotary Club is looking for a 10x10 space to store books for the Rotary Book Sale on Memorial Day weekend. They had originally secured a space, however that ended up falling through. Do you guys by any chance have a vacant office space or storage room we can use for a short period of time?

Thanks for your help!

Sincerely,
